2	Section 5.4.1	<p>Section 5.4.1 is amended to read as follows:</p> <p><b>Independent Evaluation of Technical Proposals – All bids that pass mandatory submittal criteria will be evaluated. The individual Evaluation Committee members will independently evaluate each proposal and each bidder’s Oral Presentation. The Committee members may consider the bidder’s Cost Proposal during the evaluation process, but the actual score attributed to the Cost Proposal shall be established pursuant to Section 5.4.3. The Committee may take into consideration cost limitations or other concerns with the Cost Proposal that could prevent the Department from achieving the objectives of the procurement, and such concerns may be reported by the Committee to the Medicaid Director.</b></p> <p><b>Following the independent evaluation, Committee members will meet collectively to discuss the merits of proposals submitted. Thereafter, Committee members will continue to rescore proposals until a consensus is reached. After the final re-score, the Committee will convene and average the individual bid scores for each section of each bidder’s Technical Proposal in order to facilitate a composite and final Technical Proposal score for each bidder.</b></p>
